HEALING HANDS HOLISTIC HEALTH CENTER
SCHOOL OF MASSAGE

Healing Hands Holistic Health Center School Of Massage is a State licensed educational facility of Myomassology / Bodywork located in Clinton Township, Michigan. The School is dedicated to providing the best massage education possible.

Healing Hands Holistic Health Center School Of Massage prepares ethical and competent Myomassologists, able to respond as an integral part of any total health care program.

Over the past several years the health awareness of the public has grown tremendously. Part of that awareness is the important role professional massage provides. With this in mind the Healings Hands Holistic Health Center School Of Massage educational program was developed to provide this very specialized training and information.

Healing Hands Holistic Health Center School Of Massage provides quality education with a foundation of European and Swedish style massage and builds on that with a number of very effective techniques and new forms of bodywork. Personal instruction and hands on experience provides for the best practical and well - rounded education available.

Healing Hands Holistic Health Center School Of Massage offers a great opportunity for personal growth and development. We prepare the student with a practical trade in Myomassology that they will find personally satisfying. Our program encourages continuing education and advancement in massage and other related health professions.

PROGRAM DESCRIPTION

The Healing Hands Holistic Health Center School Of Massage 625 clock hour Myomassology diploma is attained by supervised clock hours accumulated from the total 1008 clock hour State licensed Myomassology Program. These hours are accumulated as follows:

- 200** clock hours of basic Myomassology training consisting of massage theory, massage history, basic massage strokes, massage benefits and methods. (4 hours of weekly classes for 50 weeks)
- 425** clock hours of classroom training consisting of 16 hours (27 weekends for the year) in studies and methods which are:
 - 125** clock hours instruction of Anatomy / Physiology in structure , function , terms and definitions.
 - 60** clock hours instruction of clinical pathology and recognition of various conditions indicated and contraindicated to massage practices.
 - 180** clock hours instruction of elective / workshops on which the students selects from a complete total of 408 clock hours of specialized elective workshops. (see pages 14 thru 22 for an overview of the elective / workshops).
 - 10** clock hours instruction of massage ethics and professionalism.
 - 50** clock hours of supervised massage / bodywork clinicals. The school does operate a clinic during student internships and does charge a fee for student massages. These hours are supervised student massage contact hours.

Students must pass the 6 required written tests with a 75% grade or higher.

Upon completion of all course work totaling to 600 contact hours this allows the student to receive their Myomassology diploma.

The students progress in achieving this total is tracked on computer and kept in a student file. Students can review their files upon request to the administrative office. In the event a student does not complete all of the hours, though has passed all of the written exams, they shall receive a letter stating the total hours that they have completed. Once the uncompleted hours are fulfilled the student will receive their diploma.

In addition to class time students are expected to accomplish homework assignments. This time is not counted in the classroom hours.

Reading assignments in the Human Body In Health And Illness

A verbal presentation and type written report on a chosen system or organ of anatomy (A list of organs and systems is provided)

Anatomy coloring book assignments

Three minimum practice sessions per week and record these on the practice sheet provided.

Maintaining a journal of practice sessions and completion of a type written summary on their experiences.

PROGRAM COMPLETION

The Myomassology program is structured to be completed in one year. It is encouraged that the student finish the 625 hour program on time. If a student fails to complete all the hours by the end of the 50 week program, they will have one additional year to complete the total hours. If the 625 hour program is not completed by the second year, the student will be dropped from our records and be required to start the program from the beginning again.

CREDIT ACCEPTANCE

Acceptance of previous credits are allowable only from other state licensed schools of massage and bodywork therapy. A maximum of only 150 contact hours of training shall be accepted from another state licensed school of massage and bodywork therapy based upon review of the students previous records and at the discretion of the administration at the Healing Hands Holistic Health Center School Of Massage. It is the responsibility of the enrolling student to bring this to the attention of the administration during the students registration. The student must also provide a student record and a letter from the administration of the previously attended state licensed school validating proof of the students attendance in their program.

STUDENT PLACEMENT ASSISTANCE

The Healing Hands Holistic Health Center School Of Massage currently has a job board that will have postings of local employers that are looking for graduates that have completed and received their diplomas. (Note: Most of our students through their own social contacts have found successful placements by word of mouth and referrals from their friends and family.)

WITHDRAWAL

A student who for any reason finds it necessary to withdraw from the 625 hour course at the Healing Hands Holistic Health Center School Of Massage must do so in writing to the administration. Failure to do so may result in forfeiture of a large portion of the set tuition or show the student as still enrolled in the program and obligated to continuing financial commitment.

DISMISSAL

Dismissal may result from any of the following reasons:

1. Unexplained absence from 3 consecutive or 4 total class sessions.
2. Continuous conduct deemed disruptive and/or disrespectful to any fellow student or staff members.
3. Being unable to maintain satisfactory performance in the practical sessions and written tests over the time of three testing periods. (remember tutoring services are available upon request).

RE-ENTRANCE CONDITIONS:

Students may reapply for the next session. Acceptance will be based upon discretion of the administration upon student withdrawal or dismissal. Each student re-entering the course will be addressed on an individual basis.

STUDENT GRIEVANCE POLICY

A grievance policy for complaints filed by students against a proprietary school licensed under the Proprietary Schools Act, Act 148, 395.102c "Written policy for complaints filed by students" allows students to file a complaint with the department for any violation of this act or rules promulgated under this act at www.michigan.gov/pss
